

# Forces Observation Chart

## Sample Answers

---

I exerted a force on something when I . . .	Something around me exerted a force on something else when . . .
<i>picked up my toothbrush</i>	<i>the wind blew leaves across the street</i>
<i>picked up the toothpaste</i>	<i>my Dad turned on the stove</i>
<i>unscrewed the cap to the toothpaste</i>	<i>my sister put plates on the table</i>
<i>squeezed the tube</i>	<i>a blender mixed a smoothie</i>
<i>pushed paste onto the brush</i>	<i>a bird flew through the air</i>
<i>put the tube on the countertop</i>	<i>my mother pushed piano keys</i>
<i>put the toothbrush and toothpaste to my teeth</i>	<i>my dog tossed a stuffed toy</i>
<i>brushed my teeth</i>	<i>my brother picked up dishes</i>
