Sight Words

fall found tell myself grow

Example: The bullfrog went on to **tell** about everything she **found** when she went downstream at sunrise.

(**Tell** and **found** are highlighted because they are two of this week's sight words. Bullfrog, everything, downstream, and sunrise are all underlined because they are compound words.)

1. "I will tell you what I found when I went downstream at sunrise all by myself," said the bullfrog.
2. Then, I found a lumberjack who was building a treehouse.
3. I found a swordfish on a surfboard!
4. In the moonlight, I found a humpback whale playing with a starfish wearing sunglasses in an underwater playground!
5. By now, it was midday and I found a grasshopper in a rainstorm.
