**Directions:** Below is the poem "Frog's Brain." Try reading the poem out loud. As you are reading the poem listen for the r-blend sounds. After you have read the poem, go on a word hunt, and highlight every word in this poem that has an r-blend sound.

## Frog's Brain

The frog has no brain!

Did the brain go down the drain?

Or did the brain fly away in the breeze?

Maybe the brain is stuck in a tree.

Oh, I bet the brain got thrown in the trash.

With a big CRACK, BOOM, CRASH!

Oh, wait, the frog does have a brain!

It is just the size of a grain!
