Directions: Circle the possessive noun in each sentence.

Write the possessive noun on the line provided.

Remember, possessive nouns show possession and possession means to own something or have something.

Example: My dog's collar is too big.

("dog's" is circled because it is the possessive noun in this sentence. It tells you that the noun collar belongs to the dog.) **Hint:** Look for words that have an 's (apostrophe s) - those are the possessive nouns.

1. The boy's dog is singing.

2. The crab's claws are big.

3. The frog's skin is green.

4. The crown's jewels are purple.

5. The dragon's fire was hot.
