

My name is _____.

Writing - **Animals Eat**

Directions: Choose an animal to research or observe how and what it eats. Write your animal on the line below. Then, brainstorm how and what your animal eats. When you have finished you can observe or research to find more information.

What animal will you observe or research? _____

Brainstorm what and how your animal eats. How is this different from you? Write your animal in the middle circle. Write your brainstorm ideas in the circles around your animal.
