

To create a class and student login information

1. Click on the *Teacher Tab* and type in your *Username* and *Password* and click on the green *Log In* button.
2. Click on the blue *Manage Students* button and then on *Roster*.
3. Click on the blue *Add Students* button and type in the student's first name, last name. You can leave the level on the default- aa- until you've tested the student.
4. Click on the + sign in the Password column. Choose a password or a symbol for each student.
5. Click on the orange *Save button*.
