Paragraph

Revise

We can always make our writing better. We call this revising. One way to revise is to add adjectives (describing words) to make our work more interesting. Add a describing word to each blank line in the paragraph to describe the noun right after the line.

This story is about the food chain.

First, the _____ fish wants
to eat the _____ fly. Second,
the _____ frog wants to eat
the fish. Third, the _____
fox wants to eat the frog. In conclusion,
this story shows what animals want to eat
in the food chain.
