Making Sentence Cubes

Directions:

- 1) Cut out the cubes on the following three pages.
- 2) Fold the tabs in and ask an adult to help you fold and glue each cube.
- 3) Roll the cubes. Read the one that starts with the uppercase letter first, then read the cube that starts with a lowercase letter, then read the third cube that ends with punctuation. Repeat at least 5 times.
- 4) Choose one of the complete sentences you roll that makes sense.
