# Blueprint Thirds

Follow each step to make the blueprint!

1. Color the blueprint with a blue crayon.
2. Cut out the blueprint.
3. Fold the right side of the paper to the lines on the left.
4. Open the paper and fold the left side of the paper to the lines on the right.
5. Draw a line down each fold.
6. Write  $\frac{1}{3}$  on each third.
