Cut out the shapes on the next page. Follow the instructions. Then glue the shapes together to make your own Captain Capacity! Write your name on the blank line on the next page.

1. Color the gallon shape yellow. Glue the head and the captain's hat to the top of the shape.
2. 4 quarts make 1 gallon. Color each quart shape blue. Glue them like arms and legs to the gallon.
3. 2 pints make 1 quart. Color all of the pint shapes orange, and glue them to the quarts.
4. 2 cups make 1 pint. Color all of the cups purple, and glue them to the pints.
5. Decorate your captain's face!

Example

Look for a color version of the example in the lesson.

_____ 's Captain Capacity

Glue your captain here.
