Scene #	Description	Narration
1	A hand is in the air. It moves in the direction the narrator says.	[MUSIC PLAYING] Quick, raise your right hand up in the air. Now move to the left move. It straight down. Then back to where you started.
2	A square appears behind the hand with smaller squares inside it forming a grid of 9 squares. The squares light up as the hand moves around.	You are changing your hand's location from side to side, up and down, and back to center.
3	A skateboarder appears in the top right square of the grid. The squares light up as the questions are answered about the skateboarder.	Is this skateboarder at the top, bottom, or center of the grid? Good. She is at the top. Is she on the left, right, or center? You got it, she's on the right.
4	Animals are now in the grid. In the top row from left to right are: an owl, a quail and a dog. In the middle row from left to right are: a zebra, an earthworm and a lion. On the bottom row from left to right are: A dolphin, a jellyfish and a whale.	What animal is in the center square? Hey Mr. Earthworm.
5	Apples and grapes appear as a puzzle. 9 pieces of puzzle are outlined on the picture.	Touch the puzzle piece that is on the bottom left. You got it.
6	The grid of 9 squares has dogs in each square.	Point to the dog on the center right to hear her bark. [BARK]
7	The grid has different chess pieces on it.	Where is the black chess piece? Yes, top left.
8	8 puzzle pieces appear with the 9 th piece missing.	Which puzzle piece is missing? Bottom right. We finished the puzzle.
9	The grid of 9 squares has different foods in them. In the top row there is: hamburger, hotdog and shish kabob, in the middle row there is: pie, banana split and meat with gravy. In the bottom row there is: cookies, chicken and ribs.	Is your favorite food on the top left, top center, top right, center left, center, center right, bottom left, bottom center, or bottom right? Locate your favorite food on the grid, then maybe you can locate some to eat. [MUSIC PLAYING]
