## Living with Nature II

Name: \_\_\_\_\_ Date: \_\_\_\_\_

### Directions:

Decide what helps and harms nature, draw pictures of your celery experiment, and illustrate how you can help the Earth.

1. Draw a picture from your celery pollution experiment.

What happened in  
the red water?

What happened in  
the clean water?

2. Cut out the pictures below. Sort the pictures to tell if they are good for nature or bad for nature. Glue the pictures in the correct spot.

3. In the box below, draw a picture of something you can do to help protect the Earth.
