

SCIENCE

Seasons and Daylight Exploration

Name: _____ Date: _____

Directions:

Think about all the things you know about the four seasons. Draw pictures to answer the questions below.

1. In the boxes below, draw pictures that show what each season looks like where you live.

Fall/Autumn	Winter
Spring	Summer

2. Choose one season, and draw a collection of your favorite things about that season. Complete the sentence.

My favorite _____
season is _____

3. Draw or paste a photo of the nature corner you made in the box below.
