## Conflicts and Solutions

Name: \_\_\_\_\_ Date: \_\_\_\_\_

**Directions:** You have made a conflict wheel. It will help you to solve problems. Read each question below and follow what it asks you to do.

1. At home, your brother or sister can tease you too much. Draw a picture of a conflict that happens at home.

2. Using a conflict wheel can help you solve the conflict at home.  
Practice what you will say by answering the questions below.

**What is the conflict?**

---

---

---

---

---

---

**How do you feel?**

---

---

---

---

---

---

**What can you do to solve it?**

---

---

---

---

---

---

**Read these sentences. Write your words into the blanks.**

I feel

---

---

---

---

when

---

---

---

The next time this happens, I will

---

---

---

---

---

3. At school, it can be hard to take your turn. Draw a picture of a conflict at school.

4. Using a conflict wheel can help you solve the conflict at school. Practice what you will say by answering the questions below.

**What is the conflict?**

---

---

---

---

---

**How do you feel?**

---

---

---

---

---

**What can you do to solve it?**

---

---

---

---

---

**Read these sentences. Write your words into the blanks.**

I feel

---

---

---

when

---

---

The next time this happens, I will
