[MUSIC PLAYING] (SINGING) Of the original 13, it's the one that didn't touch the sea, that was given away by Charles II to repay a debt of loyalty. But oh, William Penn was embarrassed and did contend, stating people will think I named it after me. That commonwealth of old Pennsylvania.

Cradle of the revolution in the KeyStone state. The liberty from Philadelphia any day now. Declared independence and a constitutional debate. The eastern border is 57 miles along the Delaware River. Go west, you'll find in Harrisburg, they like the Susquehanna much better. Over ridges and valleys of the Appalachians to the Allegheny Plateau, south along the Mason Dixon is the way to go. That commonwealth of old Pennsylvania.

Cradle of the revolution in the KeyStone state. The liberty from Philadelphia any day now. Declared independence and a constitutional debate. There's a mountain low on a ranch of eastern hemlock, whispering virtue of liberty and independence, virtue of liberty and independence. There's a ruffed grouse that spreads its wings and flies away, spreading, spreading virtue, liberty, and independence, virtue, liberty, and independence.

Erie, Philadelphia, Pittsburgh, and Scranton define the four corners of PA manufacturing, help build relations with the North. While fertile soil and agricultural opened all the southern doors giving way to national banks and innovative state for show. That commonwealth of old Pennsylvania.

Cradle of the revolution in the KeyStone state. The liberty from Philadelphia any day now. Declared independence and a constitutional debate.
