Compare Biomes

Directions

Choose two biomes from the list and compare them to each other. Write the name of each biome in the space provided. Then list a comparison of two things about the biomes in each column, highlighting the differences in each.

Biomes:

- Tropical Forest
- Savanna
- Desert
- Chaparral
- Grassland
- Broadleaf Forest
- Coniferous
- Tundra
- Polar Ice

Climate of Biomes

Biome 1:	Biome 2:
1.	1.
2.	2.
