## SOCIAL STUDIES

Guess Who?

### Directions

Choose any three famous people from your state. On the back of each index card, write the individual's name. On the front, draw his/her picture and write 3-5 facts about the individual. One of the facts should include why he or she is famous. You can select any of the famous people from the lesson or any on your own. There are many to choose from so have fun with it and what interests you.
