Map Activity

Directions

Follow the instructions below to create a state map and key.

10.1

- Draw a large outline of your state in the box. Draw vegetation on key and map. Draw wildlife on key and map.

10.2

- Draw a city symbol on the key and mark the 3 most populated cities on the map. Color the population density for the lowest, mid, and highest ranges and add the colors to the key.

10.3

- Draw a symbol for architectural interest on the map key and note 3-5 places on your map.

10.4

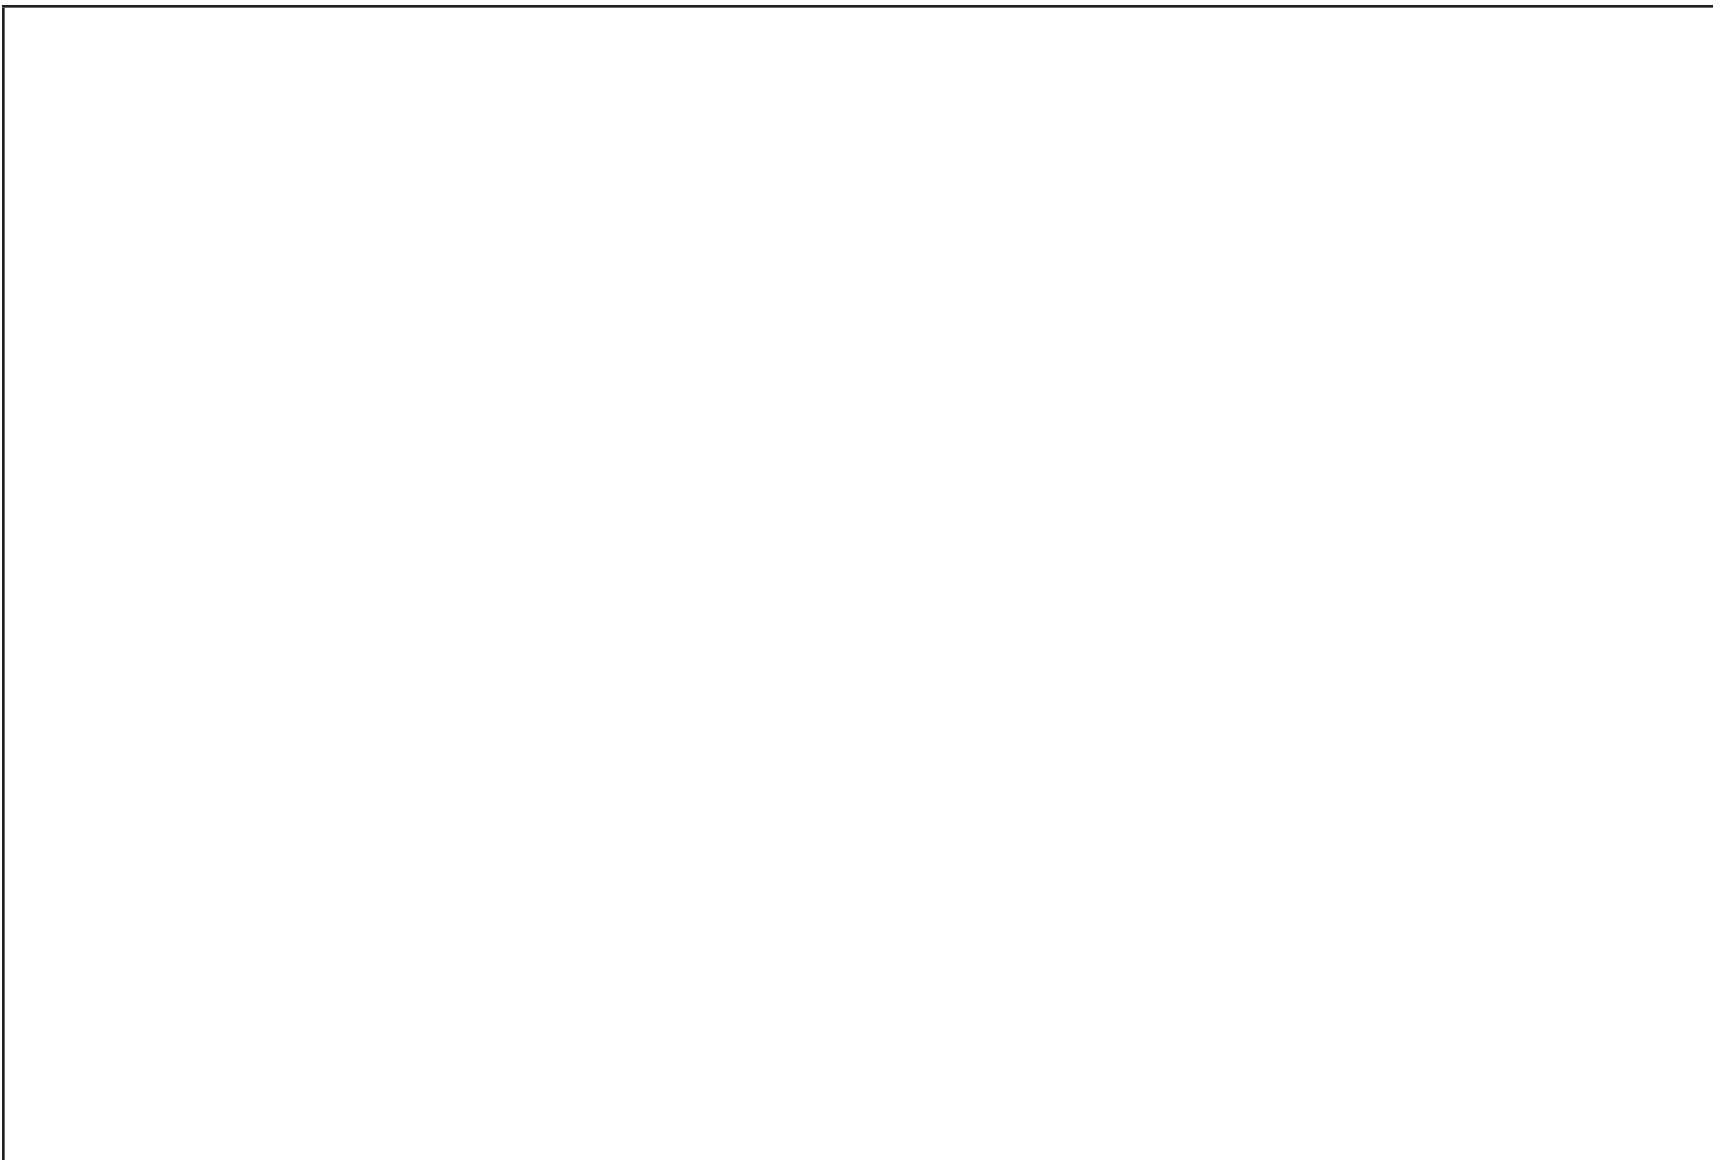

- Draw the symbols on the map key and mark 3-5 services or industries on your map.

10.5

- Draw symbols for and mark at least 3 interstates, 3 airports, and a rail or ferry system on your map key and map.
