## Different Perspective

1. Choose ONE of the following major events from the novel:
  - the encounter with Cherry and Marcia at the movie theater
  - the incident in the park between Ponyboy, Johnny and the Socs when Johnny kills a Soc
  - the rescue of the children from the burning church
2. Choose ONE character (other than Ponyboy) who witnessed the event or who was told about it from someone who did.
3. Find details that show how your chosen character viewed the event. That is, find examples of what the character said, how the character acted, and how other characters responded to your chosen character in light of the event. Begin your search for information in the chapters below.
  - the encounter with Cherry and Marcia at the movie theater (chapters 2 and 3)
  - the incident in the park between Ponyboy and Johnny and the Socs (chapters 4 and 5)
  - the rescue of the children from the burning church (chapters 6 and 7)
4. Record at least three details that indicate how your chosen character views the event.

a.

b.

c.

5. Based on the details, make two or three inferences about how your character views the event.

6. Draw one conclusion about your character's personality or about how he or she views the event.

7. In one or two paragraphs, describe the event from your chosen character's perspective. Be sure to tell your event from the first-person point of view, using the pronouns, I, me, my, and we to refer to your character. Tell what your character saw, what he or she did, and how he or she feels about the event. Be sure to use correct grammar and punctuation in your description.
