Application

You are playing on a professional hockey team called the Bowdon Ice Breakers. You have played the Heaton Red Wings to a 4 to 4 tie. After a five-minute overtime period, the score is still tied. The teams will now do a penalty shootout. Visit your local library or use the Internet to investigate what would be involved in a penalty shootout. Explain in detail.

Critical Thinking

Do you believe that high school boys and girls should be allowed to play hockey on the same team? Explain your position and your reasoning in a complete paragraph.
