

**2.4 Weekly Priorities List Reflection Rubric**  
**Possible points: 2**

|                   | <b>Exemplary (1)</b>                                                                                                                                          | <b>Average (.5)</b>                                                                                                                                                          | <b>Weak (.25)</b>                                                                                           |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------|
| <b>Completion</b> | I answered every question or completed every space. I submitted my reflection.                                                                                | I answered or completed most of the assignment. I submitted my reflection.                                                                                                   | I answered or completed some of the assignment. I submitted my reflection.                                  |
| <b>Reflection</b> | All of my answers show careful thought and personal reflection. If indicated, my entries and remarks also show personal application, analysis, or evaluation. | At least half of my entries and remarks show careful thought and personal reflection. The other half of my entries and remarks are basic and factual rather than reflective. | My plans show very little if any personal reflection. My answers are primarily reporting basic and factual. |

**My score for this activity is \_\_\_\_\_ points**
