

LESSON 1 • GOING TO CHURCH ACTIVITY

Instructions: Answer the following questions. Create a chart of the information you collect and submit it to your teacher.

- Use the Religion section of the newspaper or the telephone book to compile a list of the different religious groups in your area.
- Use an encyclopedia or the Internet to research the origins of selected groups.
- Plot the origins of each group on the map of the world.
- What are some of the reasons that these religious groups might have moved to the United States?
- What are the historical, political, and cultural factors involved?
