

## LESSON 1 • HOW DO IDEAS TRAVEL FROM PLACE TO PLACE? ACTIVITY

**Instructions:** Answer the questions shown below.

1. Discuss different ways that ideas travel from one place to another. (Examples might include music, literature, folk tales)
2. How do people react- personally, professionally, politically, technologically- when they are able to freely communicate with one another?
3. How does the newspaper help people to share ideas?
4. In what ways are people prevented from experiencing the movement of ideas? (examples include censorship, geographic barriers, language barriers)
5. What happens when people are not able to communicate?
