

LESSON 1 • ROOTS ACTIVITY

Instructions: Use the questions shown below to create a poster documenting immigrants from your family.

- Where do your families come from? Find about your families' roots. Plot the information on a poster.
- Discuss what you know about when and why your ancestors came to the United States and how they got here.
- Look through the newspaper for stories about recent immigrants.

1. Where are the recent immigrants coming from?

2. Why did they decide to come to the United States?

3. How are the immigrants adjusting to life in a new country?
