DATE: 10th February, 2026

VETERINARY SYNDICATION CERTIFICATE

HORSE: LOT 516 2026 INGLIS CLASSIC YEARLING SALE

SIRE: TAGALOA DAM: THOUGHTFILLY

DESCRIPTION: BAY THOROUGHBRED YEARLING FILLY

BRANDS : Y, LCONJOINED IN CIRCLE N.S. 343 OVER 4

O.S.

On the 9th. February, 2026, the above-described horse was examined at the INGLIS RIVERSIDE SALES COMPLEX, WARWICK FARM. N.S.W. for the purposes of providing a Veterinary Syndication Certificate for inclusion in a Product Disclosure Statement (PDS) and that it may be relied upon by prospective investors for syndication by PRIME THOROUGHBREDS PTY. LTD..

Clinical examination revealed:

- The horse to be in good health with a glossy coat.
- All cardinal signs were within normal parameters.
- No abnormalities detected on auscultation of the heart.
- Ophthalmic examination of both eyes revealed no abnormalities.
- Normal mandibular occlusion.
- No lameness evident at the walk.

The presale video endoscope examination labelled as this horse was reviewed.

No abnormalities were evident.

Laryngeal function was within normal limits (Grade 1 on the Lanes scale) and the horse passed sale scoping conditions.

The repository series of radiographs made available for the horse in the repository were reviewed.

Based on the included images and views, the radiographs were considered LOW RISK.

Based on this examination, this horse is considered a suitable subject for syndication purposes. This report is only relevant at the time and date of examination and is limited to the restricted examination performed and the findings described herein.

Apart from issuing this certificate, I do not have, have not have and I do not intend to have any financial interest in this horse.
