To whom it may concern,

RE: Run For Glory (Olympic Glory (IRE) x Nayana '16 Bay Gelding)

I am pleased to have been selected to train the above mentioned horse by Olympic Glory (IRE) out of Nayana, for Flying Start Syndications operated by Cameron Bennett.

My daily training fee is \$95 ex GST, and when this gelding is to go to the paddock for a spell I like to send their horses to Furlong Stud. They are located at 455 Woodlands Road, Greenmount, and they charge \$32 ex GST per day.

Gollan Racing's terms and conditions of training are in accordance with Racing Australia's Standard Training Agreement, and will issue invoices directly to Flying Start Syndications, who will be the responsible Managing Owner.

In turn they will directly invoice the owners' pro-rata to shareholding who buy into the gelding.

Gollan Racing gives permission to Flying Start Syndications to use this letter in its Product Disclosure Statement, and use my business name for any advertising material they may require.

Yours Sincerely

Tony Gollan
