To whom it may concern

This is to state that on Sunday 1st February 2026, I examined the following horse at "Lee Carrow", Gwydir Highway, Warialda NSW 2402.

Breeding: Unnamed filly 2023 by Glenfiddich ex Hariir

Description: Bay filly

This suitability for syndication as a racehorse examination included a general physical examination and an examination at the walk and trot.

On examination the horse appeared in good health and condition. No abnormalities were detected on auscultation of the heart and lungs. No abnormalities were detected on palpation and manipulation of the legs and joints. No response of the feet to hoof testers was found. There was no evidence of lameness at the walk or trot.

No electrocardiography, endoscopy or radiographs were requested or performed.

Based on my examination at this time I find the horse to be suitable for sale/syndication as a racehorse.

This certificate has been prepared for inclusion in the disclosure statement issued by Hancox Bloodstock for the Hariir syndicate and I am aware that prospective investors rely on the opinion contained herein.

I certify that I have no current or contemplate future interest in the above horse other than in the supply of the veterinary opinion for suitability for racing

Yours sincerely
