Dear Shelley,

I have inspected the two-year-old filly by GLENFIDDICH from HARIIR owned by Hancox Bloodstock Pty Ltd and would be very happy to train her as soon as she is ready.

I understand I will be training the filly for the HARIIR SYNDICATE to be managed by yourself and that this letter will be tabled with the Product Disclosure Statement for the HARIIR SYNDICATE.

Our current daily training rate is \$145.20 including GST.

Yours faithfully,

Chris and Corey Munce
