Dear Carol

RE: Training the Invader x Bremer Babe 20 Filly

We, Gai Waterhouse and Adrian Bott, hereby agree to train the **Invader x Bremer Babe 20 Filly** for the syndicate being formed by BlueBlood Thoroughbreds from our stables at Randwick in accordance with our standard terms of trade.

INVADER - A Champion son of Champion Sire Snitzel, Invader's victory in the Group 1 Sires' Produce Stakes during his juvenile season was nothing short of sensational. In what was one of the strongest fields in the history of the race, Invader defeated fellow Group 1-winning Snitzel colt Summer Passage, with subsequent Champion 3YO and four-time Group 1 winner Trapeze Artist, also by Snitzel, back in third.

Invader has the all-important Australian market requirements of precocity, speed and conformation being by Snitzel out of a black-type Encosta de Lago mare he is positioned to continue the legacy of Champion Sires Danehill, Redoute's Choice and Snitzel before him and become the next sire-sensation in Australia.

The Dam, BREMER BABE by Thorn Park is the half-sister to stakes winner Caiguna. Bremer Babe's grand dam is All Washed Up, an 11-time winner and also a stakes winner.

Bremer Babe has strong bloodlines on both sides of the family including Nureyev, Scenic and Sadler's Wells.

We are very pleased to be training the filly for Blueblood Thoroughbreds. We are also aware that there was an inspection of this filly to purchase, where it passed a clinical examination.

We give permission for Blueblood Thoroughbreds to list ourselves as the trainers in any advertisement in relation to the filly and advise that we have no previous association or any financial interest with this horse.

We look forward in having her in our stable.

Regards,
