VETERINARY CERTIFICATE OF EXAMINATION FOR SALE/SYNDICATION

This is to state that on 17th July 2025, I examined the following horse at Lindsay Park Racing, Euroa VIC 3666

BREEDING:	HOT MAJESTY
SIRE:	TOO DARN HOT
DAM:	MAJESTY
FOAL DATE:	28TH SEPTEMBER 2021
COLOUR/SEX:	BAY/GELDING
MICROCHIP:	985100012203916
BRANDS	NEAR SIDE: SCRIPT LOWER CASE F F INSIDE DIAMOND OFFSIDE: 25 OVER 1

On 17th July 2025, the above-described horse was examined for the purposes of providing a Veterinary Certificate for inclusion in the Product Disclosure Statement (PDS) for syndication.

This suitability for sale/syndication as a racehorse examination included a general physical/clinical examination at the walk. The horse appeared in good health and condition. The clinical examination included auscultation of the heart and lungs, recording of rectal temperature, eye examination and incisor teeth examination. There was no evidence of lameness at the walk. No abnormalities were detected on palpation and manipulation of the limbs and joints of all four limbs.

In my opinion, at this time and within the limits of the examination, the horse presented appears suitable for purchase as a racehorse and suitable for public syndication for racing purposes and mortality insurance.

Please note: I have no financial interest in this horse. I, the examining Veterinarian, am an employee of The Racetrack Practice. This report is only relevant at the time and date of the examination and is limited to the examination performed and the findings described herein. All comments and recommendations made by the examiner are made in his opinion and to the best of his knowledge at the time of examination. It is not a warranty of suitability, soundness or saleability.
