Dear Mr O'Neill

**STRATUM – MADAM ARCHER 2017 FILLY**

I refer to your application for Approval of the Product Disclosure Statement (PDS) for the above mentioned horse. I also confirm receipt of the required application and Statutory Declaration.

I confirm that the PDS meets all RWAA standards and guidelines. The PDS is approved effective 7 March 2019.

I remind you that as subscribers are entitled to the return of their monies in the event that the partnership is not fully subscribed by the 7 September 2019 you must complete the offers and lodge with RWAA the required documents to evidence the completion of subscriptions prior to this time to ensure that you have complied with the Class Order requirement. Without such evidence being held by RWAA, RWAA may be required to determine in the event of a complaint being received, either before or after the partnership is registered, that you must refund such monies to a subscriber(s).

As you would be aware any future advertising must be reflective of the statements contained in the PDS and should carry a reference to your AFSL License number.

I wish you and future members the best of luck with this syndication.

Yours sincerely

**M Kemp**
