**VETERINARY CERTIFICATE FOR SYNDICATION**

**HORSE:** UNNAMED  
**SIRE:** PRESS STATEMENT  
**DAM:** RADIANT  
**DESCRIPTION:** Bay Filly  
**MICROCHIP:** 985100012147033  
**BRANDS:** NSS: CHC  
OSS: 17 over 7  
**DATE:** 22<sup>nd</sup> February 2019

On 21<sup>st</sup> February 2019, the above-described horse was examined at Bayles, Victoria for the purposes of a PDS for syndication for Flying Start Syndications Pty Ltd.

The examination involved a clinical examination including examination at the walk and trot, auscultation of the heart and lungs and flexion tests of all fore limbs. The filly has no abnormalities or deformities at the time of this examination which will prevent her from racing or racing to her full potential. Based on this examination it is my opinion that this horse is considered fit for syndication for racing purposes and mortality insurance.

No further tests were requested or performed.

Regards,

Dr. Harry Waters BVSc.

This certificate has been prepared for the inclusion in the disclosure statement of the thoroughbred in question. This certificate may be relied upon by potential investors, however it does not constitute a "pre-purchase" examination. I certify that I have no current, nor contemplate, future interest in the above-described horse, other than in the supply of a Veterinary opinion of suitability for racing. Furthermore, I am aware that this report is provided to Flying Start Syndications Pty Ltd for use by them in promoting the sale of the above-described filly.
