Did You Know?!  
Camp has been core to FOCUS + Fragile Kids programming since its start in 1994!

---

1. Have you participated in one of our FOCUS camps before? Do you have a special memory or an activity that you loved?

2. Has a camp counselor or volunteer made a positive impact on your camper’s or family’s experience?

3. This Thursday, we want to send some love to the incredible people who have helped to make camp so wonderful over the years. Take a video or draw a picture to help us send a shout out to the people that make camp so special!

---

Share It With Us!
