NOMIS CARES, LLC

"A CARING FAMILY OF HEALTHCARE WORKERS, CARING FOR YOURS."
WHO WE ARE

We are a family-owned and operated business with over 20 years of experience practicing medicine and caring for your loved ones as if they were our own. Our team of specialized healthcare workers work to understand your specific needs, create a plan, monitor, then reassess. Creating the right plan for your loved ones is our top priority.

WHY WE CARE

Each family has its own unique challenges. We understand that because we have a family of our own. We want to help you and your family overcome your challenges by crafting a customized home-care plan to help you and your family recover and achieve your maximum level of independence.

OUR SERVICES

We stay committed to providing the below options to meet the needs of your loved one.

- Activity of Daily Living
- House Calls & Intermittent Visits
- Assessments / Treatments
- Medication Management & Procedure
- Respiratory (Ventilator, Trach, Suctioning)
- Client & Family Teachings
- And More...

OUR PROCESS

ASSESS: Our team reviews your health history, physician’s diagnosis, functional ability, home safety, and nutritional requirements, etc., during your initial visit.

PLAN: Our team creates a plan in connection with your physician, family members and personal requirements to address your physical, mental, emotional, and dietary needs.

ADJUST: Our nurses, caregivers, and staff actively communicate to provide high-quality and individually designed in-home care.
