Camp Hollywood-Home Edition
“Our son watched the videos independently and attempted all the activities independently, only asking for help when needed. We were pleasantly surprised to see how much our son could do by himself.”

Parent Support Groups
“The fellowship, the honesty, the laughter, and even discussing the ‘hard stuff’ is what I look forward to every week. In the midst of this pandemic, such forms of connection are ever more important – for everybody.”

Teen and Young Adult Activities
“(COVID times) have been challenging to say the least... but the greatest change has been missing all the activities we as a family... are involved in. Once again FOCUS to the rescue. You’ve done an amazing job keeping the kids engaged.”

Equipment Grants
“Since getting the wheelchair-accessible van, it has been a blessing. My family and I don’t have to wait hours for our transportation or get up extremely early to be ready. Everything seems within reach now.”

Educational Workshops
“Thank you so much for the recorded virtual workshops that were posted on your Youtube channel. It is nice to have the chance to review the workshops at my own pace.”

Holiday Help
“Thank you for blessing us. I lost my job due to COVID a few months ago so it is extremely appreciated.”

Family Activities
“I’m amazed how the FOCUS staff have been able to adapt to the challenges posed by the pandemic and have managed to continue to provide the services that so many families have come to depend on.”

Family Retreats
“Thank you for giving us a place where we can be safe and not have to worry about COVID for an entire weekend.”

Holiday Party
“We have a picture with Santa every year. Thank you for being so creative to make sure we could still get our photo with the FOCUS Santa this year too!”

Activities for Home
“I enjoyed FOCUS’s ingenuity in coming up with fun activities when COVID first hit last spring. My kids loved the virtual cook-off. We mentioned it to friends and family, and they were very impressed that even though my kids may have limitations they were able to be part of such an activity and proudly showcased.”

At FOCUS, our mission is to embrace and equip families of children with disabilities to make everyday life better.

After the COVID-19 global pandemic was declared in March 2020, FOCUS took great precaution to ensure that those we serve could safely participate in our programs. Support from donors like you allowed FOCUS to continue to serve children with disabilities and their families throughout a year of change. Thank you!

4545 families were part of the FOCUS network in 2020
