Repertoire: A Swingin Safari

Requirements: Players, singers, whistlers, percussion, safari suits

Handouts: Yes

AJ's Philosophy

My latest passion is Exotica, founded by Les Baxter in the early 50's. This piece is a marriage of Exotica with Nostalgia.
"A Swingin Safari...I feel like I am in the tropics when I listen to this track. I want to grab a uke and play along. It's a fun romp." Ukulele Player Magazine
