

## **BEAUTIFUL SUNSET**

**The sky so red  
It hurts so much  
To think of you  
Clouds like passion  
Pass before my eyes**

**Beautiful sunset only lasts so long  
But we have a lifetime to sing this song**

**When nighttime falls  
The moon so bright  
I dream of you  
Sleep comes slowly  
Waiting for daybreak**

**Beautiful sunset only last so long  
But we have a lifetime to sing this song**
