

Hi friends, what a wonderful 2015 we had and we are lining up an even better 2016! As you may know, we have been invited to the EWOB (**European World of Bluegrass Festival**) in the **Netherlands** and to the **Country 2 Country Festival** in **London** for 2 showcases.

The [EWOB festival in the Netherlands](#) (May 5-8) is a **competition** and we are starting rehearsals this week for these two exciting and *potentially career changing events*.

[Country 2 Country](#) is a CMA Nashville (March 12-13) affiliated event and we are proud to be chosen from over **400 entries**.

Both of these events are “non” paid and we are searching for concerts that coincide to help with our expenses.

As independent artists we are dependent on fans to help support our tour and recordings by purchasing CDs and Merchandise. [Want to help us travel to these events?](#)

[Here are several ways to help support these two mini-tours -](#)

1. **Pre-order** my next CD “**Southern White Lies**” via [PayPal](#) or contact me directly at martyfieldsband@gmail.com. **Southern White Lies** will be available in **May/June 2016**. I will mail the actual CD signed to you and **a special gift** as soon it is ready. As part of this pre-purchase, I will also send you the MP3s for download in advance so you will be among the first to hear the new CD in its entirety. This mostly acoustic CD is a much anticipated Americana blend of country, blues, folk and bluegrass. A real international effort, we recorded most of it in France (Studio Recordoval). I have just finished the final vocals in Tulsa (Travis Fite, Souttree Studio) and now it is in the hands of the legendary Tommy Detamore (Cherry Ridge Studio, Floresville, TX) for mixing and mastering.

Here are a couple of the tracks [still not mixed or mastered](#).

1. **Dead End** (original) [Click here to listen](#)

Marty Fields Galloway (vocals, songwriter, guitar), Manu Bertrand (dobro, mandolin, banjo) and Serge Samyn (double bass) backing vocals (Monica Taylor). Recorded LIVE at Recordoval Studios France.

2. Hard Times (original) [Click here to listen](#)

Demo recording... featuring musicians Manu Bertrand (banjo, dobro, mandolin), Olivier Leclerc (violin), Serge Samyn (double bass) and Travis Fite (backing vocals).

(FYI - If you don't have a PayPal account it is very simple and safe to start one.)

2. Buy my last CD **"Long Way from Home"** via [PayPal](#) or from me directly by check (email martyfieldsband@gmail.com). Download songs or the entire CD on [CD Baby](#), [Amazon](#), or [iTunes](#). (Did you know that Long Way from Home was #17 on the **Freeform Americana Charts** for 4 months and has received lots of critical acclaim ?) Read more [here](#).

3. **Book us at an event or festival.** Contact us for availability. Contact martyfieldsband@gmail.com

I want to thank you again for your continued support...without our partnership none of this would be possible.
