*Melvin slowly awakens to some background noise coming from  
His television set that calls itself  
"The Disco Hour of Power with King Jeffy".  
-A nonsensical cable access show about  
the 70's, disco and heavy drug use.*

Who was at the door but none other than Trash Jimmy, Brother Brotha and Lil' Ricky whom He'd met at "The Grove" just days prior.

So Melvin and the boys decide to hit up "The Grove" but what They'd seen before Them was nothing like what They had experienced just days prior.

11:14 A.M.

*Rioting & looting, Their new favorite hangout spot is completely disheveled.*

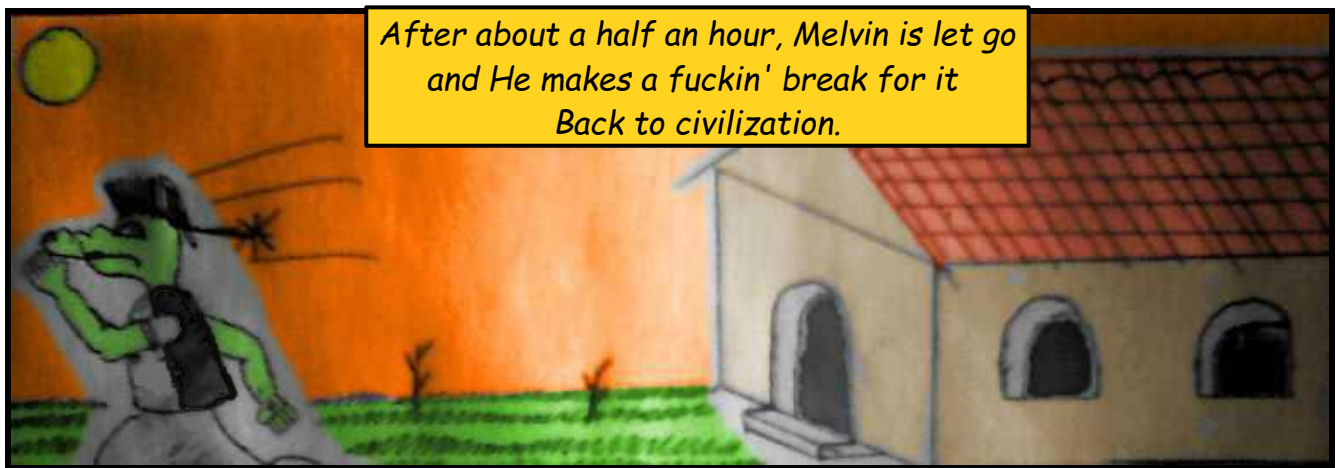

*Just then out of nowhere, a voice (almost like that of a monster from the depths of hell) came*

*...and in a blink of an eye, Mutant Melvin was apprehended. For reasons unbeknownst to Him, He was seemingly on his way to the big house.*

*What Mayor Rodent Man and Officer Dan Bucko wanted to know was what Melvin & Rat Fink were doing at "The Sludge Pit" because They had no business even being there.*

*With the Grove destroyed and now undergoing repairs, Melvin and Crew spent the rest of Their "Texican Summer" doing what They always do.  
-Skateboarding, Spray Painting old buildings, and causing all kinds of havoc in general.*
