Musical Puppet Show At your Elementary School!

Soli tries to help Rob overcome his fear of bugs. Can she do it before they come face to face with the "Bungalow Bugs"? Find out in this musical with puppets all about the insect world.

This original production created by Soli & Rob blends musical theatre and puppet stage puppetry to create an interactive learning experience that is fun for students from Kindergarten to Grade 3.

The performances and the activities in the study guide enhance both the "Understanding Life Systems" and "Drama" expectations from the **Ontario Curriculum**.

"Our students were under the show's spell for the entire program." - Gillian Novick, Kindergarten Teacher
