

The Sun and the Moon

Music and words by Kiya Heartwood Outlaw Hill Music BMI 2014

Verse 1

I remember the moonrise.  
Over the Rio Grande.  
Staring out at the clear blue sea.  
Our feet warm in the sand.

CHORUS:

We belong  
beyond the horizon.  
You are my sun.  
You are my moon.  
We belong  
beyond the horizon.  
You are my sun.  
You are my moon.

Verse 2 and 3

High on the cliffs of Malta  
or shopping in the Morocco bazaar,  
lost in the back streets of Cairo,  
I'm home wherever you are.

Drowning in patterns and colors.  
I can't wait to see the places we'll go.  
We burn like the eternal flames on Olympus.  
We're the best adventure I know.

CHORUS:

We belong  
beyond the horizon.  
You are my sun.  
You are my moon.  
We belong  
beyond the horizon.  
You are my sun.  
You are my moon.
