FAQ

1) Does Jeremy McBee accept song requests?

Yes, I do. Song requests are defined as songs *NOT* listed in my song repertoire charted below. I primarily only accept song requests for special songs such as: Family Seating, Bridal Party Entrance, Flower Girl Entrance, Bridal Processional, Recessional, First Dance, Father/Daughter Dance, and Mother/Son Dance. I can make exceptions, though, occasionally and accept song requests during pre-ceremony, cocktail, or dinner hour. I do ask, though, that song requests are made no later than 2 weeks before wedding/event.

2) Does Jeremy McBee provide additional musicians for weddings/events?

Although I mostly perform solo, I can provide additional musicians (electric guitar, drums, bass) if requested. Prices will increase, though, with the addition of more musicians.

3) If necessary, can Jeremy provide sound for the officiant or guests giving speeches/toasts?

Yes, I do have both a Senheisser wireless lapel mic (for officiants) and a Senheisser wireless handheld mic (for speeches/toasts) available if needed for no additional cost.

4) Do you need to provide any equipment (sound or musical) for Jeremy to be able to perform for your event?

If there happens to be a piano available for me to perform, that's great, but I don't require one. I can provide all of my own sound and musical equipment (PA systems, keyboard/s, guitar,

microphone, cables, stands, etc.) The only thing I will need is an electrical outlet within a reasonable distance of where I'll be performing. If there is no way to get electricity to where you would like me to perform, then I can perform "unplugged" with my acoustic guitar and "sing out" with no amplification if the site is small enough.

5) Does Jeremy McBee require a deposit for booking?

Yes, a 50% deposit is required within 1 week after contract is signed.

6) In what ways can you pay?

I accept cash, check, credit card, Venmo, Square, Paypal, and ApplePay.

7) What info do you or your planner need to provide Jeremy?

I need to have song choices/requests for special songs and dances submitted to me no later than two weeks before your wedding/event. I also need to know if there will be an electrical outlet for me to access for the performance and where that is located. In addition, I will need to find out parking, attire, and timeline info from either you or the wedding planner no later than 1 week prior to your wedding/event.

8) Along with performing, can Jeremy also provide DJ/emcee services?

Yes, along with performing I can also provide DJ/emcee services for your reception or throughout specific parts of your wedding/event. If you decide to book me for DJ services, as well, I will get with you as we get closer to your wedding/event to architect a

playlist that will cater to yours and your guests musical tastes and desires for your specific event.
