

I Can't Believe

I can't believe I'll walk down streets of gold. Cruise ancient avenues with legends of old. Sit at the table of the divine. God Almighty you're my peace of mind.

I can't believe you cared that much for me sent down your son to die on Calvary. Took all my sins and washed me clean and pure. Jesus my Savior you're my precious Lord.

Well He gave us the book and He set down the names and He's the one who died on Calvary in shame. He's the master of all the world you see. God Almighty you're everything to me.

Well you better believe He caused the waters to part. Created the moon and the sun and the stars. Sent down manna from Heaven above. God Almighty you're some kinda love.

And you better believe He commanded the seas that they lay down quiet just to hear him speak. Took a little boy's fish and made thousands more. Jesus my Savior you're my precious Lord.

Peter and Daniel Elisha and Paul. Brave little David Zaccheus so small. Mary and Martha Joseph and John. Oh what a gathering of Heavenly saints.
