

Victory is Mine

Verse

In the midst of the battle, in the midst of the storm
He's always been faithful, His word to perform
Through troubles and trials, my faith has now grown
Reaping the victory from the seeds I have sown!

Chorus

Victory, victory, yes, victory is mine
I'm walking by faith, never looking behind
Listening and yielding as you guide me each day
I'll not give up, I'm claiming victory today!

Verse

In the depths of the valley, in the darkest of night
I am never alone for He stands by my side
Though the waters are deep, by faith I can see
Reaching the mountain I'll claim victory!

Chorus

Bridge

O victory in Jesus,
My Savior, forever.
He sought me and bought me
With His redeeming blood;

Chorus

Victory, victory, yes, victory is mine
I'm walking by faith, never looking behind
Listening and yielding as you guide me each day
I'll not give up, I'm claiming victory today!

Yes I'm walking by faith, I'm not looking behind
I've found victory in Jesus, yes, victory is mine! Victory's mine!
