

INVOCATION  
By Charles Fillmore

I AM now in the presence  
of pure Being,  
and immersed in the Holy Spirit  
of life, love, and wisdom.

I acknowledge Thy presence  
and Thy power, O blessed Spirit;  
in Thy divine wisdom now erase my  
mortal limitations  
and from Thy pure substance of  
love bring into manifestation  
my world, according to  
Thy perfect law.
