

KICK! The INXS Experience is the USA's most captivating salute and tribute to the internationally acclaimed rock band, **INXS**. They will take you back. They will reignite your passion for **INXS** or introduce you to the music that is still as fresh today as the day it was written. 'Original Sin' to 'Elegantly Wasted' & everything in between!

KICK! The INXS Experience beautifully captures the spirit of **INXS** in both its sound and live performance. Their focus has been to faithfully recreate the music in its most powerful form with the remarkable drumming of Johnny Dee, in-the-pocket grooves from bass player Don Leslie, a brilliant combination of piano and synth by Mark Goodnough, the signature guitar tones produced by guitarists Todd King and Jason Taylor, the punctuating saxophone by Tom Wheat, and the spot-on lead vocals by Cory Massi! All of this lends to a powerful high energy show that is guaranteed to have the entire venue singing and dancing all night long!
