

Richard Smith and Julie Adams – Technical Rider

Thank you very much for booking our duo act for your venue. To make it a pleasant performance for everyone involved – audience, promoter and artists –, we would ask you to provide the following things on concert day.

Technical requirements:

- 4 microphones with boom stands (2 for vocals, 2 for instruments)
- 1 DI box
- PA with reverb
- 2 monitors
- 2 chairs with no arms
- power strip for pedals
- 1 music stand
- 2 guitar stands
- 1 table for merchandising (perhaps near the entrance)

Backstage/Catering:

- a little meal between soundcheck and showtime
- mineral water without gas
- 2 clean towels

If you have any questions, please contact us via e-mail: smuffjules@mindspring.com

We're really looking forward to our visit to your place and to sharing our music with you!
