Mic Stand & Monitor**

There will be 3 vocal mics up front and 1 vocal mic in back for drummer .

Would like 3 monitors up front and one monitor in back for drummer.

3 monitor mixes up front and separate monitor mix for drummer.

Prefer only vocals in monitors. Drummer may want some keys

**If drummer is on separate mix, he would like some kick drum along with everyone vocals
If mics for instruments are needed, please place a mic in front of each amp, and direct out
for bass rig and keys.**

**Drummer has 2 rack toms and 1 floor tom, snare and kic, 1 high hat, 2 crash cymbals and
1 ride cymbal. Prefers to mic only kic in small room.**
