I need to build a _____; I have no _____ or stone;

All I have is prairie _____ to make my little home;

So I'll cut a patch of _____ and dig up the _____;

Patch by patch I stack and stack and add a door and _____;

Little _____ house on the North Dakota prairie; cool in July and warm in January;

Life's much better for a homesteader with a sturdy little _____ on the prairie.

It's 1861; I'm a young _____; took a trip on an immigrant _____ to start a little farm;

I miss my _____, and I'm sure that they miss me. It'll be hard _____,

but I'll make it worth it for future _____;

Little sod _____ on the North Dakota prairie; cool in July and warm in January;

Life's much better for a _____ with a sturdy little soddy on the prairie.

Little sod house on the North Dakota prairie; cool in _____ and warm in January;

Life's much better for a homesteader with a sturdy little soddy on the _____.

In _____ and wind and snow some of the _____ grow;

Kids are born and help on the _____ when they are 4 years old;

But sometimes we have fun; we sing and dance in the _____;

Saturday night and the _____ come from many _____ around (to our)

Little sod house on the North _____ prairie; cool in July and warm in January;

Life's much better for a homesteader with a _____ little soddy on the prairie.

_____ sod _____ on the _____ Dakota prairie; _____ in July and warm in January;

Life's _____ better for a homesteader with a sturdy _____ _____ on the prairie.

KEY (some words may be used more than once): **July little crops grass soddy ship Dakota**

miles cool house grasses North sturdy much roof barn homesteader generations
