**If I were a dinosaur, I wouldn't be here anymore;**

**I wouldn't like meteors if I were a dinosaur!**

Triceratops, brontosaurus--they all lived long before us;

Some ate plants; some ate meat;

They had two arms or they had four feet!

**If I were a dinosaur, I wouldn't be here anymore;**

**I wouldn't like meteors if I were a dinosaur!**

Pterodactyl tyrannosaurus--they all lived long before us;

Some had horns; some had scales;

Some had spikes on their tails!

**If I were a dinosaur, I wouldn't be here anymore;**

**I wouldn't like meteors if I were a dinosaur!**

Diplodocus stegosaurus--they all lived long before us;

Some were huge; some were smaller;

Big like trees...and some were taller!

**If I were a dinosaur, I wouldn't be here anymore;**

**I wouldn't like meteors if I were a dinosaur!**
